

PRIVACY POLICY STATEMENT

HealthVax is bound by the National Privacy Principles set out in the Privacy Act 1988 of the Commonwealth of Australia.

This policy statement affirms our commitment to comply with those principles.

You have a number of rights under this legislation, including the right to access the personal information that we may hold about you.

We collect your information to allow a suitably qualified HealthVax representative to make a clinical decision about whether it is safe for you to receive a vaccination and to allow HealthVax to compile and analyse statistics relevant to the efficiency and effectiveness of the influenza vaccine.

You need to be aware that if you do not provide us with certain information about yourself, in some circumstances we may be unable to provide a service that you require. You also need to be aware that you can decide whether you wish for your information to be de-identified and used for research purposes or not.

Any information provided by you can be accessed by you and updated during standard office hours by writing to: The HealthVax Program Coordinator, PO Box 2159, MANSFIELD DC Q 4122, by phoning 1300 358 829 or by sending a request through our website.

If you have any questions about your privacy rights – or the way in which we collect, use, manage or disclose personal information - our staff would be happy to answer your questions or to provide you with further information.
